

Summer Fun

at Springboard Schools Westford

The Summer Fun Program at Westford Children's Learning Center (WCLC) is a safe, nurturing, fun and creative program that offers plenty of opportunities for developmentally appropriate exploration, creativity and play.

WCLC has been educating students since 2005. Our facility allows us to provide multiple areas for students exploration, learning and fun. The program is set amongst 2 acres of scenic woodland, providing staff and children with nature-based, developmentally appropriate learning experiences year round. Many of our dedicated staff have been here 5 years or longer providing quality care for all ages.

Our Summer Fun Program is an eight week, theme based program. The activities for each week are based on the themes, except for our weekly visit to Edwards Beach and a visit from the ice cream truck. We offer flexible two to five day schedules, allowing you to fit your needs. Our highly competitive rates include extended hours and field trips. Space is limited, so register soon!

Fees (includes extended hours and field trips)

5 Days - \$249

4 Days - \$208

3 Days - \$162

2 Days - \$112
